

International Conference MECHANICS, RESOURCE, AND DIAGNOSTICS OF MATERIALS AND STRUCTURES

Dear participants of the International Conference on Mechanics, Resource, and Diagnostics of Materials and structures,

The organizing committee asks you to prepare and submit your video presentations in English before **16 December 2021**. The presentations should be sent at the conference e-mail address: **conf_mrdms@mail.ru**. The presentation time must not exceed **10 to 15 minutes**.

17 to 19 December: the conference program will be compiled and uploaded to the conference website.

17 to 20 December: you will be able to familiarize yourselves with the presentations published in the conference website and to send your questions on the content of the presentations to the organizing committee.

20 December: the conference opening will be held.

21 to 23 December: oral presentations. They should be made in brief, i.e. contain only the main idea, objectives, and conclusions. During the conference the speakers will be given at most **3 to 5 minutes** for presentation and **5 minutes** for answering questions.

24 December: conference closing.

You are asked to familiarize yourselves with the presentations beforehand, formulate, prepare, and submit your questions to the conference e-mail at **conf_mrdms@mail.ru** because if you are unable to be present at the conference at the time of discussion, your question will be asked by the moderator.

The access to the conference will be provided through the **Zoom software**. You will need the following appliances: loudspeakers or earphones, a microphone or a headset with a microphone (please check your appliances beforehand). A web camera is not necessary. The link for connection will be sent before the conference starts.
